NOTIFICATION

Addendum

The following communication, received on 23 August 2017, is being circulated at the request of the Delegation of Canada.

Notice of Modification - List of Contaminants and Other Adulterating Substances in Foods

Notice of Modification to the List of Contaminants and Other Adulterating Substances in Foods to Update the Maximum Levels for Lead in Fruit Juice, Fruit Nectar and Water in Sealed Containers – Reference Number: NOM/ADM-C-2017-02

Background

Health Canada published a Proposal to Update the Maximum Levels for Lead in Fruit Juice, Fruit Nectar and Water in Sealed Containers in the List of Contaminants and Other Adulterating Substances in Foods – Reference number: [NOP/ADP C-2017-2] (<https://www.canada.ca/en/health-canada/services/food-nutrition/public-involvement-partnerships/proposal-update-maximum-levels-lead-fruit-juice-fruit-nectar-water-sealed-containers.html>) on 1 March 2017 which was open to the public for comments for 75 days (G/SPS/N/CAN/1098). Although comments were provided during the comment period in response to this Notice of Proposal, as further described in the information document section "Notification – Summary of Comments", no new scientific information was submitted to the Department.

Therefore, Health Canada will update the maximum level for lead in fruit juice, fruit nectar and water in sealed containers, effective 14 May 2018, by modifying Part 2 of the *List of Contaminants and Other Adulterating Substances in Foods* (<https://www.canada.ca/en/health-canada/services/food-nutrition/food-safety/chemical-contaminants/contaminants-adulterating-substances-foods.html>) as described in the information document. This date is twelve months following the close of the Notice of Proposal comment period.

The purpose of this communication is to publically announce the Department's intention in this regard and to provide the appropriate contact information for any inquiries or for those wishing to submit any new scientific information relevant to Health Canada's scientific assessment.

This addendum concerns a:

- Modification of final date for comments
- Notification of adoption, publication or entry into force of regulation
- Modification of content and/or scope of previously notified draft regulation
- Withdrawal of proposed regulation
- Change in proposed date of adoption, publication or date of entry into force
- Other:

Comment period: (If the addendum extends the scope of the previously notified measure in terms of products and/or potentially affected Members, a new deadline for receipt of comments should be provided, normally of at least 60 calendar days. Under other circumstances, such as extension of originally announced final date for comments, the comment period provided in the addendum may vary.)

Sixty days from the date of circulation of the addendum to the notification and/or (dd/mm/yy): Not applicable

Agency or authority designated to handle comments: National Notification Authority, National Enquiry Point. Address, fax number and e-mail address (if available) of other body:

Text(s) available from: National Notification Authority, National Enquiry Point. Address, fax number and e-mail address (if available) of other body:
