NOTIFICATION

Addendum

The following communication, received on 28 September 2017, is being circulated at the request of the Delegation of Canada.

Established Maximum Residue Limit: Flonicamid

The proposed maximum residue limit (PMRL) document for flonicamid notified in G/SPS/N/CAN/1123 (dated 12 July 2017) was adopted 25 September 2017. The proposed MRLs were established via entry into the Maximum Residue Limits Database and are provided directly below:

MRL (ppm) Raw Agricultural Commodity (RAC) and/or Processed Commodity

7.0	Succulent shelled pea and bean (crop subgroup 6B)
4.0	Edible podded legume vegetables (crop subgroup 6A)
3.0	Pepper/eggplant (crop subgroup 8-09B) ¹ ; Dry beans, grain lupin, dry kidney beans, dry lima beans, dry navy beans, dry pink beans, dry pinto beans, dry tepary beans, dry adzuki beans, dry blackeyed peas, dry catjang seeds, dry cowpea seeds, dry moth beans, dry mung beans, dry rice beans, dry southern peas, dry urd beans, dry broad beans, dry chickpeas, dry guar seeds, and dry lablab beans

ppm = parts per million

¹ The MRL of 3.0 ppm is proposed to replace the currently established MRLs of 0.4 ppm for all commodities in crop subgroup 8-09B.

MRLs are established for each commodity included in the listed crop groupings in accordance with the *Residue Chemistry Crop Groups* webpage (<https://www.canada.ca/en/health-canada/services/consumer-product-safety/pesticides-pest-management/public/protecting-your-health-environment/pesticides-food/residue-chemistry-crop-groups.html>) in the Pesticides and Pest Management section of Health Canada's website.

MRLs established in Canada may be found using Health Canada's *Maximum Residue Limit Database* (<http://pr-rp.hc-sc.gc.ca/mrl-lrm/index-eng.php>) on the *Maximum Residue Limits for Pesticides* webpage (<https://www.canada.ca/en/health-canada/services/consumer-product-safety/pesticides-pest-management/public/protecting-your-health-environment/pesticides-food/maximum-residue-limits-pesticides.html>). The database allows users to search for pesticides(s) or for food commodity(ies).

This addendum concerns a:

- Modification of final date for comments
- Notification of adoption, publication or entry into force of regulation
- Modification of content and/or scope of previously notified draft regulation
- Withdrawal of proposed regulation
- Change in proposed date of adoption, publication or date of entry into force
- Other:

Comment period: (If the addendum extends the scope of the previously notified measure in terms of products and/or potentially affected Members, a new deadline for receipt of comments should be provided, normally of at least 60 calendar days. Under other circumstances, such as extension of originally announced final date for comments, the comment period provided in the addendum may vary.)

Sixty days from the date of circulation of the addendum to the notification and/or (dd/mm/yy): Not applicable

Agency or authority designated to handle comments: National Notification Authority, National Enquiry Point. Address, fax number and e-mail address (if available) of other body:

Text(s) available from: National Notification Authority, National Enquiry Point. Address, fax number and e-mail address (if available) of other body:

The specified MRLs have been provided above and are also accessible from the MRL webpage as indicated below:
