## NOTIFICATION

### *Addendum*

The following communication, received on 16 April 2021, is being circulated at the request of the Delegation of Canada.

#### Susceptible Species of Aquatic Animals

The Canadian Food Inspection Agency updated the Canadian Susceptible Species of Aquatic Animals List (SSL) by adding twelve species and removing seven, based on changes to the species listed in various disease specific chapters of the World Organisation for Animal Health (OIE) Aquatic Animal Health Code. In addition, in the *Health of Animals Regulations*, Schedule III was repealed and the Susceptible Species of Aquatic Animals List was incorporated by reference. This change will facilitate timely changes to the SSL to align with the revisions to the disease specific chapters of the OIE Aquatic Animal Health Code.

#### **This addendum concerns a:**

- Modification of final date for comments
- Notification of adoption, publication or entry into force of regulation
- Modification of content and/or scope of previously notified draft regulation
- Withdrawal of proposed regulation
- Change in proposed date of adoption, publication or date of entry into force
- Other:

**Comment period: (If the addendum extends the scope of the previously notified measure in terms of products and/or potentially affected Members, a new deadline for receipt of comments should be provided, normally of at least 60 calendar days. Under other circumstances, such as extension of originally announced final date for comments, the comment period provided in the addendum may vary.)**

- Sixty days from the date of circulation of the addendum to the notification and/or (dd/mm/yy): Not applicable

**Agency or authority designated to handle comments:  National Notification Authority,  National Enquiry Point. Address, fax number and e-mail address (if available) of other body:**

**Text(s) available from:  National Notification Authority,  National Enquiry Point. Address, fax number and e-mail address (if available) of other body:**
