## NOTIFICATION

### *Addendum*

The following communication, received on 17 May 2021, is being circulated at the request of the Delegation of Canada.

#### Established Maximum Residue Limit: Difenoconazole

The proposed maximum residue limit (PMRL) document for difenoconazole, notified in G/SPS/N/CAN/1370 (dated 11 February 2021) and G/SPS/N/CAN/1370/Corr.1 (dated 17 March 2021), was adopted 10 May 2021. The proposed MRLs were established via entry into the Maximum Residue Limits Database and are provided directly below:

MRL (ppm) <sup>1</sup>	Raw Agricultural Commodity (RAC) and/or Processed Commodity
8.0	Garden beet tops
0.6	Root vegetable (crop subgroup 1A) <sup>2</sup>

<sup>1</sup> ppm = parts per million

<sup>2</sup> This MRL replaces the current MRLs for carrot and sugar beet roots.

An MRL is established for each commodity included in the listed crop groupings in accordance with the *Residue Chemistry Crop Groups* webpage (<https://www.canada.ca/en/health-canada/services/consumer-product-safety/pesticides-pest-management/public/protecting-your-health-environment/pesticides-food/residue-chemistry-crop-groups.html>) in the Pesticides and Pest Management section of the Canada.ca website.

MRLs established in Canada may be found using Health Canada's *Maximum Residue Limit Database* (<http://pr-rp.hc-sc.gc.ca/mrl-lrm/index-eng.php>) on the *Maximum Residue Limits for Pesticides* webpage (<https://www.canada.ca/en/health-canada/services/consumer-product-safety/pesticides-pest-management/public/protecting-your-health-environment/pesticides-food/maximum-residue-limits-pesticides.html>). The database allows users to search for pesticides or for food commodities.

#### **This addendum concerns a:**

- Modification of final date for comments
- Notification of adoption, publication or entry into force of regulation
- Modification of content and/or scope of previously notified draft regulation
- Withdrawal of proposed regulation
- Change in proposed date of adoption, publication or date of entry into force
- Other:

**Comment period: (If the addendum extends the scope of the previously notified measure in terms of products and/or potentially affected Members, a new deadline for receipt of comments should be provided, normally of at least 60 calendar days. Under other**

***circumstances, such as extension of originally announced final date for comments, the comment period provided in the addendum may vary.)***

[ ] Sixty days from the date of circulation of the addendum to the notification and/or (dd/mm/yy): Not applicable.

**Agency or authority designated to handle comments: [ ] National Notification Authority, [ ] National Enquiry Point. Address, fax number and e-mail address (if available) of other body:**

**Text(s) available from: [ ] National Notification Authority, [X] National Enquiry Point. Address, fax number and e-mail address (if available) of other body:**

The specified MRLs have been provided above and are also accessible from the MRL webpage as indicated below:
