**NOTIFICATION**

*Corrigendum*

The following communication, received on 1 October 2021, is being circulated at the request of the Delegation of the United States of America.

---

Metaflumizone; Pesticide Tolerances. Final Rule

EPA issued a final rule in the Federal Register of 19 April 2021, establishing tolerances for residues of the insecticide metaflumizone. That document inadvertently requested removal of tolerances for the crop group fruit, stone, group 12-12. This document corrects the final regulation.
