NOTIFICATION

Addendum

The following communication, received on 20 November 2017, is being circulated at the request of the Delegation of South Africa.

Compulsory specification for aquacultured live and chilled raw bivalve molluscs (VC 9107) – Extension of the comment period

This compulsory specification requires that aquacultured live and chilled raw bivalve molluscs for human consumption which are offered for sale, comply with the chemical, marine biotoxins and microbiological requirements for disease-causing organisms outlined in the referenced SANS 2879, read together with the shellfish monitoring programme and relevant technical regulations.

The date for comments has been extended to 17 January 2018.
