THE NATIONAL INDUSTRIAL PARTICIPATION PROGRAMME

INTRODUCTION

The National Industrial Participation (NIP) Programme, which is applicable to all government procurement contracts that have an imported content, became effective on the 1 September 1996. The NIP policy and guidelines were fully endorsed by Cabinet on 30 April 1997. In terms of the Cabinet decision, all state and parastatal purchases / lease contracts (for goods, works and services) entered into after this date, are subject to the NIP requirements. NIP is obligatory and therefore must be complied with. The Industrial Participation Secretariat (IPS) of the Department of Trade and Industry (DTI) is charged with the responsibility of administering the programme.

1 PILLARS OF THE PROGRAMME

- 1.1 The NIP obligation is benchmarked on the imported content of the contract. Any contract having an imported content equal to or exceeding US\$ 10 million or other currency equivalent to US\$ 10 million will have a NIP obligation. This threshold of US\$ 10 million can be reached as follows:
 - (a) Any single contract with imported content exceeding US\$10 million.
or
 - (b) Multiple contracts for the same goods, works or services each with imported content exceeding US\$3 million awarded to one seller over a 2 year period which in total exceeds US\$10 million.
or
 - (c) A contract with a renewable option clause, where should the option be exercised the total value of the imported content will exceed US\$10 million.
or
 - (d) Multiple suppliers of the same goods, works or services under the same contract, where the value of the imported content of each allocation is equal to or exceeds US\$ 3 million worth of goods, works or services to the same government institution, which in total over a two (2) year period exceeds US\$10 million.
- 1.2 The NIP obligation applicable to suppliers in respect of sub-paragraphs 1.1 (a) to 1.1 (c) above will amount to 30 % of the imported content whilst suppliers in respect of paragraph 1.1 (d) shall incur 30% of the total NIP obligation on a *pro-rata* basis.
- 1.3 To satisfy the NIP obligation, the DTI would negotiate and conclude agreements such as investments, joint ventures, sub-contracting, licensee production, export promotion, sourcing arrangements and research and development (R&D) with partners or suppliers.

- 1.4 A period of seven years has been identified as the time frame within which to discharge the obligation.

2 REQUIREMENTS OF THE DEPARTMENT OF TRADE AND INDUSTRY

- 2.1 In order to ensure effective implementation of the programme, successful bidders (contractors) are required to, immediately after the award of a contract that is in excess of **R10 million** (ten million Rands), submit details of such a contract to the DTI for reporting purposes.
- 2.2 The purpose for reporting details of contracts in excess of the amount of R10 million (ten million Rands) is to cater for multiple contracts for the same goods, works or services; renewable contracts and multiple suppliers for the same goods, works or services under the same contract as provided for in paragraphs 1.1.(b) to 1.1. (d) above.

3 BID SUBMISSION AND CONTRACT REPORTING REQUIREMENTS OF BIDDERS AND SUCCESSFUL BIDDERS (CONTRACTORS)

- 3.1 Bidders are required to sign and submit this Standard Bidding Document (SBD 5) together with the bid on the closing date and time.
- 3.2 In order to accommodate multiple contracts for the same goods, works or services; renewable contracts and multiple suppliers for the same goods, works or services under the same contract as indicated in sub-paragraphs 1.1 (b) to 1.1 (d) above and to enable the DTI in determining the NIP obligation, successful bidders (contractors) are required, immediately after being officially notified about any successful bid with a value in excess of R10 million (ten million Rands), to contact and furnish the DTI with the following information:
- Bid / contract number.
 - Description of the goods, works or services.
 - Date on which the contract was accepted.
 - Name, address and contact details of the government institution.
 - Value of the contract.
 - Imported content of the contract, if possible.
- 3.3 The information required in paragraph 3.2 above must be sent to the Department of Trade and Industry, Private Bag X 84, Pretoria, 0001 for the attention of Mr Elias Malapane within five (5) working days after award of the contract. Mr Malapane may be contacted on telephone (012) 394 1401, facsimile (012) 394 2401 or e-mail at Elias@thedti.gov.za for further details about the programme.

4 PROCESS TO SATISFY THE NIP OBLIGATION

- 4.1 Once the successful bidder (contractor) has made contact with and furnished the DTI with the information required, the following steps will be followed:
- a. the contractor and the DTI will determine the NIP obligation;
 - b. the contractor and the DTI will sign the NIP obligation agreement;

- c. the contractor will submit a performance guarantee to the DTI;
- d. the contractor will submit a business concept for consideration and approval by the DTI;
- e. upon approval of the business concept by the DTI, the contractor will submit detailed business plans outlining the business concepts;
- f. the contractor will implement the business plans; and
- g. the contractor will submit bi-annual progress reports on approved plans to the DTI.

4.2 The NIP obligation agreement is between the DTI and the successful bidder (contractor) and, therefore, does not involve the purchasing institution.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

TERMS OF REFERENCE FOR THE APPOINTMENT OF SERVICE PROVIDERS TO PROVIDE MEDIATION, OVER A THREE (3) YEAR PERIOD TO SERVE UNDER THE PANEL OF THE LAND RIGHTS MANAGEMENT FACILITY OF THE DEPARTMENT OF AGRICULTURE LAND REFORM AND RURAL DEVELOPMENT AND COMMISSION ON RESTITUTION OF LAND RIGHTS

1. PROJECT OBJECTIVE

To establish a panel of service providers who will provide mediation and general advice to any party in terms of Land Reform (Labour Tenants) Act 3 of 1996; Extension of Security of Tenure Act 62 of 1997; Restitution of Land Rights Act, 22 of 1994 Communal Property Association Act 26 of 1996 under any other policy or programme administered and implemented by the Department of Agriculture, Land Reform and Rural Development.

2. BACKGROUND AND PROBLEM STATEMENT

- 2.1. Section 25(5) of the Constitution of Republic of South Africa, 1996 (the Constitution) places a positive obligation on the state to take reasonable legislative and other measures, within its available resources to foster conditions which enables citizens to gain access to land on an equitable basis.
- 2.2. Section 25 (6) of the Constitution provides that a person or community whose tenure of land is legally insecure as a result of past racially discriminatory laws or practices is entitled, to the extent provided by an Act of Parliament, either to tenure which is legally secure or to comparable redress
- 2.3. Section 25 (7) of the Constitution provides that a person or community repossessed of property after 19 June 1913 as a result of past racially discriminatory laws or practice is entitled to the extent provided by an Act of Parliament either to restitution of that property or to equitably redress

- 2.4. Section 26 (3) of the constitution states that no one may be evicted from their home, or have their home demolished without any order of the court made after considering all the relevant circumstances. No legislation may permit arbitrary evictions.
- 2.5. To give effect to the above Constitutional provisions. Parliament have enacted legislations, including the following: the Land Reform (Labour Tenants) Act 3 of 1996: the Extension of Security of Tenure Act 62 of 1997 (ESTA): Restitution of Land Rights Act 22 of 1994: Communal Property Association Act 28 of 1996; These legislations seeks to ensure the fulfilment of constitutional promise to legally secure tenure.
- 2.6. Section 21 of the Extension of Security of Tenure Act 62 of 1997 (ESTA) requires Director General of the Department of Agriculture, Land Reform and Rural Development (DALRRD) to provide mediation services to any party who request or upon his or her accord to mediate any dispute arising in terms of this Act.
- 2.7. Section 36 of the Land Reform (Labour Tenants) Act 3 of 1996 Act (LTA) authorises the Director General to appoint mediators. The identity of the mediator is determined by the Director General; but the Act provides that the parties may at any time during the course of mediation or negotiation, by agreement, appoint another person to mediate the dispute.
- 2.8. Section 10 of the Communal Property Association Act (CPA) authorises the Director General to appoint a conciliator (mediator) to assist in resolving a dispute between a CPA and its members or between members or committee members.
- 2.9. Section 13 of the Restitution of Land Rights Act 26 of 1994 (RLRA) authorises the Chief Land Claims Commissioner (CLCC) to direct the parties concerned to attempt to settle their dispute through a process of mediation and negotiation.

- 2.10. Notwithstanding the above legislative and other form of government interventions, the land tenure of the majority of South Africans remains legally insecure and land claims lodged in terms of Restitution of Land Rights Act and Land Reform Labour Tenant Act remains unsettled and unfinalized.
- 2.11. Moreover, since the inception of over 1600 CPAs were registered. Numerous challenges were identified in relation to the implementation of the CPA Act. These challenges were captured in the study conducted by the CSIR in 2005. This report and the first CPA Annual Report to Parliament that was compiled in 2010 painted a bleak picture regarding the Communal Property Associations compliance level. Despite limited intervention by the Department there has been little improvement in compliance levels over the years.
- 2.12. In order to resolve the above, the DALRRD has established the Land Rights Management Facility (LMRF) which has funds to cater for the provision of, mediation services to the above.
