THE NATIONAL INDUSTRIAL PARTICIPATION PROGRAMME

INTRODUCTION

The National Industrial Participation (NIP) Programme, which is applicable to all government procurement contracts that have an imported content, became effective on the 1 September 1996. The NIP policy and guidelines were fully endorsed by Cabinet on 30 April 1997. In terms of the Cabinet decision, all state and parastatal purchases / lease contracts (for goods, works and services) entered into after this date, are subject to the NIP requirements. NIP is obligatory and therefore must be complied with. The Industrial Participation Secretariat (IPS) of the Department of Trade and Industry (DTI) is charged with the responsibility of administering the programme.

1 PILLARS OF THE PROGRAMME

- 1.1 The NIP obligation is benchmarked on the imported content of the contract. Any contract having an imported content equal to or exceeding US\$ 10 million or other currency equivalent to US\$ 10 million will have a NIP obligation. This threshold of US\$ 10 million can be reached as follows:
- (a) Any single contract with imported content exceeding US\$10 million.
or
 - (b) Multiple contracts for the same goods, works or services each with imported content exceeding US\$3 million awarded to one seller over a 2 year period which in total exceeds US\$10 million.
or
 - (c) A contract with a renewable option clause, where should the option be exercised the total value of the imported content will exceed US\$10 million.
or
 - (d) Multiple suppliers of the same goods, works or services under the same contract, where the value of the imported content of each allocation is equal to or exceeds US\$ 3 million worth of goods, works or services to the same government institution, which in total over a two (2) year period exceeds US\$10 million.
- 1.2 The NIP obligation applicable to suppliers in respect of sub-paragraphs 1.1 (a) to 1.1 (c) above will amount to 30 % of the imported content whilst suppliers in respect of paragraph 1.1 (d) shall incur 30% of the total NIP obligation on a *pro-rata* basis.
- 1.3 To satisfy the NIP obligation, the DTI would negotiate and conclude agreements such as investments, joint ventures, sub-contracting, licensee production, export promotion, sourcing arrangements and research and development (R&D) with partners or suppliers.

- 1.4 A period of seven years has been identified as the time frame within which to discharge the obligation.

2 REQUIREMENTS OF THE DEPARTMENT OF TRADE AND INDUSTRY

- 2.1 In order to ensure effective implementation of the programme, successful bidders (contractors) are required to, immediately after the award of a contract that is in excess of **R10 million** (ten million Rands), submit details of such a contract to the DTI for reporting purposes.

- 2.2 The purpose for reporting details of contracts in excess of the amount of R10 million (ten million Rands) is to cater for multiple contracts for the same goods, works or services; renewable contracts and multiple suppliers for the same goods, works or services under the same contract as provided for in paragraphs 1.1.(b) to 1.1. (d) above.

3 BID SUBMISSION AND CONTRACT REPORTING REQUIREMENTS OF BIDDERS AND SUCCESSFUL BIDDERS (CONTRACTORS)

- 3.1 Bidders are required to sign and submit this Standard Bidding Document (SBD 5) together with the bid on the closing date and time.

- 3.2 In order to accommodate multiple contracts for the same goods, works or services; renewable contracts and multiple suppliers for the same goods, works or services under the same contract as indicated in sub-paragraphs 1.1 (b) to 1.1 (d) above and to enable the DTI in determining the NIP obligation, successful bidders (contractors) are required, immediately after being officially notified about any successful bid with a value in excess of R10 million (ten million Rands), to contact and furnish the DTI with the following information:

- Bid / contract number.
- Description of the goods, works or services.
- Date on which the contract was accepted.
- Name, address and contact details of the government institution.
- Value of the contract.
- Imported content of the contract, if possible.

- 3.3 The information required in paragraph 3.2 above must be sent to the Department of Trade and Industry, Private Bag X 84, Pretoria, 0001 for the attention of Mr Elias Malapane within five (5) working days after award of the contract. Mr Malapane may be contacted on telephone (012) 394 1401, facsimile (012) 394 2401 or e-mail at Elias@thedti.gov.za for further details about the programme.

4 PROCESS TO SATISFY THE NIP OBLIGATION

- 4.1 Once the successful bidder (contractor) has made contact with and furnished the DTI with the information required, the following steps will be followed:
- a. the contractor and the DTI will determine the NIP obligation;
 - b. the contractor and the DTI will sign the NIP obligation agreement;

- c. the contractor will submit a performance guarantee to the DTI;
- d. the contractor will submit a business concept for consideration and approval by the DTI;
- e. upon approval of the business concept by the DTI, the contractor will submit detailed business plans outlining the business concepts;
- f. the contractor will implement the business plans; and
- g. the contractor will submit bi-annual progress reports on approved plans to the DTI.

4.2 The NIP obligation agreement is between the DTI and the successful bidder (contractor) and, therefore, does not involve the purchasing institution.

SBD 9**CERTIFICATE OF INDEPENDENT BID DETERMINATION**

- 1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

- 1.2. The department wishes to appoint service providers per province as following:

Provinces	CPA'S	PARTICIPANTS TO BE TRAINDE PER CPA	PARTICIPANTS TO BE TRAINED PER PROVINCE

Cape			
Eastern Cape	206	10	2060
Western Cape	31	10	310
Kwa Zulu Natal	183	10	1830
Limpopo	100	10	1000
North West	100	10	1000

2. BACKGROUND

- 2.1. The Communal Property Associations Act 28 of 1996 was passed to enable communities to acquire, manage and use land communally. These communities include restitution claimants, land-rights beneficiaries and redistribution beneficiaries who have acquired land for agricultural purposes.
- 2.2. Since the inception of Act 28 of 1996 over 1500 CPAs were registered by the Department of Rural Development and Land Reform (DRDLR). A substantial number of this CPAs are dysfunctional. The CSIR conducted a study which showed that most CPA members are not benefiting from their land due to the serious challenges were identified in relation to the implementation of the said Act. The Communal Property Association National Conference and the National Land Tenure Conference also reflected on the challenges in CPAs.
- 2.3. One of the biggest challenges is lack of capacity of CPA committee members to execute their functions as required by the Act and their constitutions. Amongst CPA general membership there are serious challenges with the

TERMS OF REFERENCE FOR THE APPOINTMENT OF SERVICE PROVIDERS TO CONDUCT CORPORATE GOVERNANCE TRAINING FOR COMMUNAL PROPERTY ASSOCIATIONS IN NINE (9) PROVINCES FOR A PERIOD OF SIX (6) MONTHS.

members' ability to oversee the work of the executive committee and to hold them to account.

- 2.4. In 2013 the Department appointed a service provider to train CPA Executive committee members in all nine provinces on the provisions of the Act and most importantly on their reporting obligations. The Department intends to embark on a continuous and sustainable training programme for CPAs for Executive Committees and CPA members.

3. PROBLEM STATEMENT

- 3.1. The success of land reform projects is dependent on the functionality, effectiveness and viability of the entities that manage land on behalf of beneficiaries. There are different types of legal entities that hold land on behalf of land reform beneficiaries. Some beneficiaries of land redistribution have opted for the Communal Property Associations as their preferred landholding entity. Over 1500 such legal entities have been registered by the Department.
- 3.2. Notwithstanding that Government has put in place legislative intervention measures, most CPAs fail to meet their reporting obligations and are unaccountable to members in conducting their business operations. When confronted with the need to report to the Department in the prescribed form and the need for them to account to their members most CPAs are found wanting.
- 3.3. Legal entities holding and managing land on behalf of land reform beneficiaries deprive members the many benefits of being landowners if they are not managed properly.
- 3.4. The provisions Regulations 8 to 11 of the Communal Property Association Act, act 28 of 1996 prescribes the information that every CPA must submit to the director General in each calendar year. Most CPAs do not comply with the

TERMS OF REFERENCE FOR THE APPOINTMENT OF SERVICE PROVIDERS TO CONDUCT CORPORATE GOVERNANCE TRAINING FOR COMMUNAL PROPERTY ASSOCIATIONS IN NINE (9) PROVINCES FOR A PERIOD OF SIX (6) MONTHS.

Regulations and legislation in respect of the documents that they must produce and submit to the Department.

- 3.5. Without capacity building and training the levels of dysfunctionality and non-compliance with the legislation will continue unabated. It is for this reason that the Department wants to provide corporate governance training to CPAs to building their capacity to perform their functions.
- 3.6. The provision of training and capacity building is but one of the various intervention measures that are implemented by the Department.

4. PROJECT SCOPE

- 4.1. The appointed service provider will be required to provide two days basic training for each participant whereas the overall duration to train all participants will be six months.
