CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

agriculture, land reform & rural development

Department:
Agriculture, Land Reform and Rural Development
REPUBLIC OF SOUTH AFRICA

NORTH WEST PROVINCIAL SHARED SERVICE CENTRE:

Cnr James Moroka and Sekame Drive, West Gallery, Megacity Mmabatho, Private Bag X 74, Mahikeng, 2745; Tel: 018 388 7000

TERMS OF REFERENCE FOR THE APPOINTMENT OF SERVICE PROVIDERS FOR THE ESTABLISHMENT OF A PANEL OF COMMISSIONERS TO BE APPOINTED IN TERMS OF SECTION 3 OF THE AMENDED ACT 111 AND 119 OF 1993 IN ORDER TO ASSIST THE NORTH WEST PROVINCIAL SHARED CENTRE OF THE DEPARTMENT OF AGRICULTURE LAND REFORM AND RURAL DEVELOPMENT WITH REGULARISATION OF TITLE DEEDS AND DISTRIBUTION AND TRANSFER OF CERTAIN STATE LAND.

1. PURPOSE OF THE PROJECT

1.1. The Department of Agriculture Land Reform and Rural Development (DALRRD) seeks to establish a Panel of suitably qualified and experienced service providers to be appointed as Commissioners in terms of Section 3 of Land Title Adjustment Act, Number 111 of 1993 and Distribution and Transfer of Certain State Land Act, Number 119 of 1993 who may be contractually engaged for a period no longer than Two years (2) after such appointment to render professional services with regards to Land Title Adjustment and Distribution of Certain State Land Acts where a need has been expressed across the North West Province.

2. BACKGROUND AND PROBLEM STATEMENT

- 2.1. The North West Province has several farms where syndicates and families acquired and registered titles deeds in their names. Over time the purchasers passed on without any further transfer to their successors or heirs. This situation has left a loophole in the land holding arrangement in many families and communities whose land rights are continuously rendered precarious.
- 2.2. Due to the process and cost implications of adjusting title deeds, it has proved impractical for many of the individuals and families to succeed in adjusting old title deeds to the successors or heirs. In many instances the cost towards adjusting a title deed outweighs the value of the land. The objective of the application of Act 111 of 1993 and Act 119 of 1993 was to ensure state intervention for assistance to adjust title deeds where individuals and communities can prove their inability to cover the cost of undertaking the process.
- 2.3. The inability of the individuals and families not to adjust title deeds has led to many untold stories which in some instances has led to the invasions of the properties without any recourse because of the following.
 - 2.4.1 Individuals and families could not prove ownership of the land.
 - 2.4.2 Individuals or families could decide to demarcate residential sites on the properties without collective decision making and not following any established legislation.
 - 2.4.3 Ownership disputes with families are bound to ensue.
 - 2.4.4 Agricultural land is compromised.
 - 2.4.5 Those who were supposed to have land rights are disenfranchised.

- 2.4. In 1991 the then apartheid government developed a White Paper Policy on Land Reform and this resulted in the passing of the Distribution and Transfer of Certain State land Act 119 of 1993 and Land Title Adjustment Act 111 of 1993.
- 2.5. Act 119 of 1993 seeks to provide title to the land allocated to the individuals whose land was expropriated around the late 1960s on the one hand and Act 111 of 1993 seeks to adjust the title deeds in the name of the deceased owners to reflect the names of their heir/s.
- 2.6. In December 1992, the State President granted an in-principle approval to a recommendation by the Advisory Commission on Land Allocation (ACLA) for the restoration of land to former residents of Charlestown and other similar communities. The approval of the ACLA recommendation predates the restitution legislation (Restitution of Land Rights Act, Act 22 of 1994), and these projects were initially dealt with by the then Land Affairs department.
- 2.7. Members who approach the department for assistance with Land Title Adjustment often cite the need for a secure tenure, improvement of land marketability, and development interventions often initiated by state organs as the reasons for wanting to have their names reflected as the current owners of the land.
- 2.8. The Department of Agriculture Land Reform and Rural Development in order to implement both Act 111 and 119 of 1993 to regularize title deeds and to distribute and transfer certain state land requires dedicated professionals with legal qualifications and experience.
- 2.9. To this end the department has to establish a panel of service providers with qualifications and experience in law. The individuals must have practiced as a judge, magistrate or practiced as an advocate or attorneys for an uninterrupted period of five years or more.

- 2.10. Project specific detailed terms of reference will be issued by the Provincial Office of the Department of Agriculture Land Reform and Rural Development and will be given to the appointed Commissioner.

3. PROJECT SCOPE

- 3.1. The Commissioner is expected to call for applications, investigate, make findings, survey, subdivide, allocate, distribute, transfer, handout title deeds of allocated land in line with the findings, comply with any other legal obligations regarding the land, submit documents and records of all meetings as prescribed in the Land Title Adjustment Act, Act Number 111 of 1993 and the Distribution and Transfer of Certain State Land Act, Act Number 119 of 1993.
- 3.2. The Commissioner will deal with the land within the assigned projects in terms of the Land Title Adjustment Act, Act Number 111 of 1993 or Distribution and Transfer of Certain State Land Act, Act Number 119 of 1993.
- 3.3. The appointed Commissioner must be based in the North West Province and details must be indicated in the proposal.
- 3.4. The Commissioner shall be expected to attend regular progress meetings and submit report and times as contained in the project specific terms of reference.

4. PROJECT MANAGEMENT

- 4.2. A Project Implementation Plan and a Work plan detailing timeframes, milestones, tasks and activities for the project must be developed by the Commissioner in line with terms of reference.
- 4.3. Review meetings are intended to assess the performance of the Commissioner which may lead to the cancellation of the contract should the performance be found to be below the agreed performance indicators as contained in the contract, project and work plan and the terms of reference.

5. APPLICABLE LEGAL PROVISIONS

- 5.1. The Commissioner is expected to execute his or her duties as prescribed by the Land Title Adjustment Act, Act Number 111 of 1993 or Distribution and Transfer of Certain State Land Act, Act Number 119 of 1993.
