Subject

DISPENSATION: EXPORT OF STONE FRUITS WITH RESIDUES OF TRIFLOXYSTROBIN TO THE EUROPEAN UNION

Permission is hereby granted by the Executive Officer: Agricultural Product Standards in terms of section 4 (4) of the Agricultural Product Standards Act, 1990 (Act No. 119 of 1990), to all exporters of stone fruits to export stone fruits with residues of Trifloxystrobin to the European Union: **Provided that all consignments of stone fruits are sampled and analyzed and the residues comply with the EU import requirements**

This permission is subject to the following conditions:

1. All other conditions of the export regulations as well as the standards and requirements shall be complied with.
2. It may be withdrawn at any time should a valid complaint be received.
3. **Bayer Crop Science (Pty) Ltd** indemnifies this Department from any detrimental effect, financially or otherwise, which may emanate as a result of this permission.
4. Termination date: end of export season for Stone Fruits for the year 2008/2009
