Verklaring van Simbole gebruik / Legend of Symbols used

Ω *Vorige benaming / Previous denomination* -- *Sinoniem / Synonym*

“Alle variëteite” beteken dat variëteitslysplasing nie vereis word voor kommersialisering nie, daarom mag alle variëteite van daardie soort plant ingevoer en verkoop word sonder magtiging. Kwekerye wat hierdie soorte kweek, moet egter in terme van die Plantverbeteringswet geregistreer wees.

“All varieties” means that varietal listing is not required before commercialization; therefore any variety of that kind of plant may be imported and sold without authorisation. Nurseries propagating these kinds of plants, must however be registered in terms of the Plant Improvement Act.

(Die nommer in hakies agter die variëteitsname verwys na die aansoeker/houer/plaaslike verspreider van variëteite. Indien geen nommer aangedui is nie, is daar nie 'n spesifieke agent vir die varëteit nie)

(The number in brackets after the variety denomination refers to the applicant/holder/local distributor of varieties. In case where there is no number indicated, there is no specific agent for the variety).
