Verklaring van Simbole gebruik / Legend of Symbols used

* <i>Planttelersregte toegeken /</i>	# <i>Planttelersregte aangevra /</i>
* <i>Plant Breeders' Rights Granted</i>	# <i>Plant Breeders' Rights application</i>
Ω <i>Vorige benaming / Previous denomination</i>	-- <i>Sinoniem / Synonym</i>
↳ <i>Handelsmerk(™ of ®) / Trademark (™ or ®)</i>	

“Alle variëteite” beteken dat variëteitslysplasing nie vereis word voor kommersialisering nie, daarom mag alle variëteite van daardie soort plant ingevoer en verkoop word sonder magtiging.

“All varieties” means that varietal listing is not required before commercialization; therefore any variety of that kind of plant may be imported and sold without authorisation.

Verwysing na handelsmerke/geregistreerde handelsmerke in hierdie lys, gee nie magtiging aan enigiemand om sodanige merke te gebruik sonder lisensies nie. Handelsmerke moet te alle tye duidelik onderskeibaar wees en moet saam met variëteitsname gebruik word.

Reference to trademarks/registered trademarks in this list does not authorise anybody to use the marks without licenses. Trademarks always have to be clearly indicated as such and may only be used in connection with a variety name.

(Die Nommer in hakies agter variëteitsname verwys na die agent/plaaslike verspreider van variëteite sover dit Planttelersregte aanbetref)

(The Number in brackets following the variety denomination refers to the agent/local distributor of varieties as far as Plant breeders' Rights are concerned)
