## **INTRODUCTION**

I Am a young female farmer based in Nigel Far East. Under Lesedi Municipality & Sedibeng District. Our farm is 435(ha) plus, in total we are involved in the IDC Nguni Program and also, we are Registered as stud of Nguni, currently we are planting maize for silo's market, bales are for our Livestock, we are able to sell to other farmers.

## **PREGNANCY TEST**

- Done two times in a year by the state Vets.
- Done in February and June

Mating season starts in Mid-July until December.
