MINISTER DIDIZA LAUNCHES A 3.2 BILLION BLENDED FINANCE SCHEME WITH LAND BANK TO ASSIST FARMERS

The Minister of Agriculture, Land Reform and Rural Development Ms Thoko Didiza, MP today launched a 3.2 billion Blended Finance Scheme with Land Bank to assist farmers. The programme will be implemented over a 10-year period with the department investing a minimum of R3, 2 billion over the period. The funding will be on a blended finance structure which is a combination of a loan and grant with the focus on commodities as per the Agriculture and Agro-processing Master Plan.

Land Bank is a specialist agricultural Development Finance Institution (DFI) that is embarking on a revised strategy which is aimed at improving the effective balancing of financial sustainability and developmental outcomes in order to meaningfully contribute to the development and transformation of the agricultural sector in South Africa.

The bank achieved a clean audit outcome for Financial Year 2022 providing an indication of the bank's sound governance, management controls and processes to enable the successful implementation of the Blended Finance Scheme.

"Strategic partnerships like these are critical to ensure growth, food security, development of farmers and transformation of the agricultural sector, and contribute towards job creation," said Minister Didiza.
