

MINISTER'S WOMEN'S MONTH MESSAGE

As we commemorate Women's Month in 2020 under the unprecedented conditions resulting from the COVID-19 pandemic, the department continues to honour all women in the department including women in the agricultural sector.

This year's global theme for Women's Month is; **Generation Equality: Realising Women's Rights for An Equal Future.**"

The theme further highlights the continuing efforts and contribution of women, young females and women with disabilities for the role they play in food security, poverty alleviation, job creation and economic growth in the sector as counterparts to men through the departmental flagship programme known as the Female Entrepreneur Awards.

May we continue to rise in the spirit of the 1956 women's march to Union Buildings and continue to advance women empowerment and gender equality. The department also supports the fight against gender based violence.

We wish all the women in the department and entities a Happy Women's Month.

Wathint'abafazi wathint' imbokodo!
